SUMMARY

- Motivated engineering student with hands-on experience in web development and UI design, specializing in full-stack projects.
- Proficient in Tools like Sql, MongoDB(Nosql) and Redis(cache database)
- Proficient in creating dynamic and responsive applications using technologies like React, Node.js, and the MERN stack.
- Developed notable projects, including a Disney clone UI, a book management system, and an event management platform, showcasing strong skills in both front-end design and back-end functionality.
- Passionate about problem-solving and eager to apply technical expertise to impactful internships and collaborative team environments.

EDUCATION

Bachelor in Engineering

2022-2026

Rajalakshmi Engineering College, Chennai, Tamilnadu

✓ GPA: 8.37/10.0

Class XII

2020

Chennai Higher Secondary School, Chennai, Tamilnadu

✓ Score: 88.8 %

Class X

2018

Chennai Higher Secondary School, Chennai, Tamilnadu

✓ Score: 83.8 %

PROJECTS

Disney Clone UI

- ✓ Developed a pixel-perfect replica of the Disney+ streaming platform, focusing on responsive design and seamless user experience using React and Tailwind CSS.
- ✓ TechStack used: REACT, Tailwind CSS and Open Api movie Database
- ✓ [Touch to Disney Clone](#)

Book Management System

- ✓ Built a full-stack application for managing book inventories, integrating CRUD operations with MongoDB, Express, React, and Node.js (MERN stack).
- ✓ TechStack: React, Tailwind CSS, Node.js and MongoDB
- ✓ [Touch to Github link](#)

Event Management System

- ✓ Designed and implemented an event management platform enabling users to create, manage, and track events and real-time updates.
- ✓ TechStack: React, Tailwind CSS, Node.js and MongoDB
- ✓ [Touch to Github link](#)

SKILLS

TECHNICAL SKILLS

- **Frontend Development:**
 - ✓ html,CSS,JavaScript .
 - ✓ React,Tailwindcss,Sass,Typescript,Redux
- **Backend Development:**
 - ✓ Node.js, Express and MongoDB,multer,JWT Auth
 - ✓ sql,Redis
- **Others:**
 - ✓ Docker, kuberbetes,c,c++,python,java,figma,canva and AWS basics.

SOFT SKILLS

- ✓ Analytic Thinking
- ✓ Creativity
- ✓ Communication
- ✓ Teamwork

Languages

- C,C++,JS
- Pyhton,Java
